

How Can I Be Part of Helping My Church Grow?

Let's start with our children!

Please mark the things you're interested in and bring this back to church or just email us back!!

Children's Church on non-communion Sunday mornings at 10:45 am: one Sunday a month or more!

- I could be a "helper"! If the lesson is planned I'll be a 2nd set of eyes and hands for the teacher.
- I could take a small group of children (grades 2-4 or 4-5-6) and *expand* on their lesson in the room across the hall.
- I could help plan for a craft for the craft, with guidance, for a specific age group

Parents' Night Out: June 4, July 9 and August 6, 6-9 pm: once event or all 3!

- I could sit at the registration table as kids arrive
- I could sit at the dismissal table as parents sign out their kids
- I could find the right short movie for kids to watch (maybe by age group?)
- I could sit and watch a movie with the kids as they settle down at the end of the night to watch a movie
- I could help fix/serve dinner (something simple like hot dogs, chips, cookies and popcorn!)
- I could help coordinate/supervise a craft for a specific age group
- I could shop for the dinner supplies
- I could do a science experiment (Don't worry, we have great resources if you need them!)
- I could stand by the bounce house and oversee activity
- I could make a donation to cover some things not planned for in our budget

I'll take the [Ministry Safe Awareness Training](#) so I can do something!
